

RESOLUTION NO. 2015-05

Resolution Opposing Elimination of Personal Property Taxes

WHEREAS, Representative Bob Kulp (R-Stratford) and Senator Tom Tiffany (R-Hazelhurst) plan to introduce legislation that would eliminate both the personal property tax and the computer aid payments made to local governments; and

WHEREAS, the total statewide personal property tax levy in 2013 (collected in 2014) was \$290 million; and

WHEREAS, the State has been making computer aid payments to local governments since 2001 to offset the personal property tax exemption for computer equipment that was created that year, with the total payment for 2015 set at \$83.8 million; and

WHEREAS, elimination of the personal property tax on businesses will result in even more of the property tax burden shifting to residential homeowners, who, on average already pay 70% of the statewide property tax levy; and

WHEREAS, the impact of eliminating the personal property tax will be greatest in the cities and villages where most of the personal property tax base is located, and

WHEREAS, fully exempting all personal property from the property tax will likely result in a reduction in the incremental levy for most tax incremental finance districts;

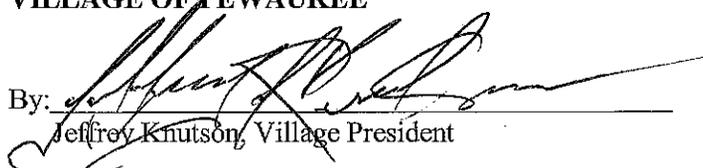

WHEREAS, in the Village of Pewaukee, the loss of computer aid payment for exempt computers would mean \$12,258 (2014 payment) less for the Village's General Fund; and

WHEREAS, in the Village of Pewaukee, the shift to residential homeowners would be \$22,784,500 of equalized property value and the resulting equalized tax rate increase will be \$0.1377 per \$1,000 valuation.

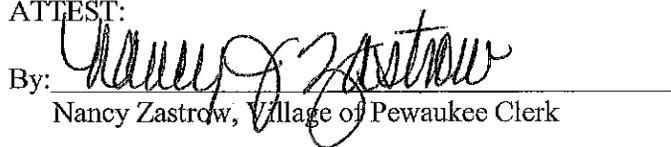

NOW THEREFORE BE IT RESOLVED, that the Village of Pewaukee opposes any attempt by the State Legislature to eliminate the personal property tax and the computer aid payments local governments receive for tax-exempt computer and related equipment; and at a minimum, the loss in local tax base and resulting tax shift must be addressed before moving forward with the legislation.
