FOREST HILL CEMETERY
PEWAUKEE, WISCONSIN

To Superintendent: Date

The undersigned requests your permission to place the memorial described below on the aforesaid lot subject to your rules and regulations. You are hereby authorized to construct a foundation for the same. Charges will be paid by the Memorial Dealer upon receipt of invoice.

(COMPLETE DESCRIPTION OF MEMORIAL)

All permits must be filed with the Superintendent for approval. Monuments may require scale drawings and detail specifications before granting approval.

All foundations will be constructed by Cemetery employees.

Markers and corner posts will be set by Cemetery employees.

Each memorial becomes a permanent part of the landscape; for the benefit of all plot owners the Cemetery has the responsibility of supervising the erection of memorials and to reject or remove anything placed within the Cemetery in violation of its rules and regulations.
